Dear Mr. Browning:

In a recent telephone conversation with Cathy Russell of your office, I learned that you have decided to extend an invitation to the State of Utah to participate in the readiness review of NRC staff comments on the Davis Canyon and Lavender Canyon environmental assessments prepared by the Department of Energy pursuant to the Nuclear Waste Policy Act.

I am forwarding this acceptance in anticipation of the invitation. The State of Utah will be represented in the readiness review program by Jack Wittman, Associate Director of the Utah High-Level Nuclear Waste Program.

I look forward to the State's participation and to any pertinent information forwarded by your office.

Sincerely,

Patrick D. Spurgin, Director
High-Level Nuclear Waste Program
