Dear Mr. Bunting:

Re: Notice of Upcoming Meeting Between NRC
and DOE April 8-11, 1985

This office recently received on April 15, 1985 a Notice dated April 8, 1985 which detailed meetings to be held between NRC and DOE staff on April 8, 9, 10 and 11. Though this office had been verbally informed of some of the meetings, we were not aware of all of them. Therefore, if we had wanted to have someone present at those meetings, we were unaware of, it would have been difficult since we only received notification after the meetings had taken place.

This letter is not intended as criticism of your agency but only to let you know that timely notice was not received by this office of your schedule.

If we can be of any service in assisting you with respect to this matter in the future, please feel free to contact us.

Sincerely yours,

Mack Cameron
