Dear Mr. Frishman:

During the meetings held July 19 and 20 at DOE/ONWI, several NRC originated items related to the salt program were mentioned that the affected States had not seen. We promised to provide those items to you. Enclosed for your information are the following items:

- 1) NRC Commission paper SECY-83-241, dated June 20, 1983, subject: Summary Report on Comment Letters Received on Draft DOE Guidelines for Recommendation of Sites for Repositories; 48 FR 5670
- 2) Letter concerning the Information Considered Necessary Regarding Exploratory Shaft Construction and Sealing, June 15, 1983
- 3) Letter concerning the need for a summary of the types and amounts of data existing in the Salt Project, May 13, 1983.

This information is also being provided to the other affected States.
