Dear Ms. Garrett:

I am writing in response to your February 2, 2004, letter regarding a survey of federal agency pro bono programs. The survey is enclosed.

Our agency has not established a pro bono program. The agency does sponsor staff support of local science fairs through our Office of Public Affairs. You should note two other points in connection with the survey: (1) the Nuclear Regulatory Commission's offices are located in Rockville, Maryland (we maintain a DC mailing address as per statute); and (2) not all attorneys in our office are members of the DC Circuit bar.

Sincerely,

/RA/

Stephen G. Burns
Deputy General Counsel

Enclosure: As stated
