LETTER TO MACK CAMERON/MISS

- 1 -

MAY 09 1985

Mr. Mack Cameron
Special Assistant Attorney General
State of Mississippi
Carroll Gartin Justice Building
Post Office Box 220
Jackson, Mississippi 39205

Dear Mr. Cameron:

I appreciate your letter of April 16, 1985, concerning the lack of timely notification from NRC on NRC and NRC/DOE meetings. I am aware of the problem and realize it is a result of some internal procedure (inconsistencies), which I plan to correct. I apologize for any inconveniences this may have caused you over the past two months.

The last few meetings we have had (the EA Readiness Review, the NRC/DOE EA Comment Meeting and the NRC/DOE SCP Repository Design Performance Allocation Meeting) have been scheduled on very short notice. As soon as we were aware of the meetings, we telephoned all of the State/Tribal representatives since we knew our written notification would not reach you in time. However, I realize you did not have the necessary materials for participation in the meetings, and that, even with the telephone notification, you did not have adequate time.

Again, I apologize for the problem and am taking actions to minimize future problems. If you have any questions or need further information, please feel free to contact us.

Dear Mr. Cameron:

I appreciate your letter of April 16, 1985, concerning the lack of timely notification from NRC on NRC and NRC/DOE meetings. I am aware of the problem and realize it is a result of some internal procedure (inconsistencies), which I plan to correct. I apologize for any inconveniences this may have caused you over the past two months.

I am in the process of implementing the necessary NRC policies and procedures to correct the problem. These procedures will insure that meeting notices are mailed well in advance of the meeting date, they will allow time for you to receive the notice as well as any documents/materials you will need to participate, and for you to make a decision as to whether you wish to participate and determine who you should send.

The last few meetings we have had (the EA Readiness Review, the NRC/DOE EA Comment Meeting and the NRC/DOE SCP Repository Design Performance Allocation Meeting) have been scheduled on very short notice.
