SUBJECT: NOTICE OF UPCOMING MEETINGS

This notice of meetings is being sent to you as a result of the July 19-20 meeting. It will be updated weekly and sent to you for your information. It reflects only meetings which we are aware of; therefore, if you are aware of a meeting that you would like to have appear on this list to facilitate planning among us, please phone the information to Ted Taylor (614/424-5916) so that the next notice can reflect that information.*

UPCOMING MEETINGS

March 29-30 - Bimonthly salt states/NRC meeting, Columbus.

* April 3 - Planning meeting for next information exchanges in Texas. Time and location to be determined.

* Late April - Information Exchanges, Texas Panhandle, time and place to be determined (Topic: Texas Site Identification Report).

May 5 - Information Exchange, Salt Lake City, Utah, place to be determined. (Topics: Overview, Environment, Health and Safety, Geology, and Hydrology, Transportation, Water Resources, Socioeconomics, Repository Engineering).

*Note: An asterisk indicates a modification since last week.
