SUBJECT: NOTICE OF UPCOMING MEETINGS

'84 FEB 27 P4:22
 WM DOCKET CONTROL CENTER

This notice of meetings is being sent to you as a result of the July 19-20 meeting. It will be updated weekly and sent to you for your information. It reflects only meetings which we are aware of; therefore, if you are aware of a meeting that you would like to have appear on this list to facilitate planning among us, please phone the information to Ted Taylor (614/424-5916) so that the next notice can reflect that information.*

UPCOMING MEETINGS

- February 28 - Mississippi and Louisiana Staff Tour NTS.
- February 29 and March 1 - Second Information Exchanges in Monticello and Moab, Utah.
 Topic: Near-term aspects of project (i.e., exploratory shaft).
- March 29-30 (tentative) - Bimonthly salt states/NRC meeting, Columbus.
- April 28 (tentative) - Information Exchange in Salt Lake City, Utah.

*Note: An asterisk indicates a modification since last week.
