This notice of meetings is being sent to you as a result of the July 19-20 meeting. It will be updated weekly and sent to you for your information. It reflects only meetings which we are aware of; therefore, if you are aware of a meeting that you would like to have appear on this list to facilitate planning among us, please phone the information to Ted Taylor (614/424-5916) so that the next notice can reflect that information.*

UPCOMING MEETINGS

February 22-23 - AMFM Panel Meeting at Forrestal Building, Washington, D.C. (check with H. Perry (202/252-5316) for detailed agenda).

February 24 - Briefing for Mississippi Academy of Science (ERTEC).

February 28 - Mississippi and Louisiana Staff Tour NTS.

February 29 and March 1 - Second Information Exchanges in Monticello and Moab, Utah.

Topic: Near-term aspects of project (i.e., exploratory shaft).

* March 29-30 (tentative) - Bimonthly salt states/NRC meeting, Columbus.

* April 28 (tentative) - Information Exchange in Salt Lake City, Utah.

*Note: An asterisk indicates a modification since last week.
