SUBJECT: NOTICE OF UPCOMING MEETINGS

This notice of meetings is being sent to you as a result of the July 19-20, 1983 meeting. It will be updated weekly and sent to you for your information. It reflects only meetings which we are aware of; therefore, if you are aware of a meeting that you would like to have appear on this list to facilitate planning among us, please phone the information to Linda McClain (614/424-5916) so that the next notice can reflect that information.*

The announcements of DOE meetings with NRC and other Federal agencies (which can be reached at the following toll-free telephone numbers: for calls originating in Maryland, 800-492-4610; for calls originating in the other 49 states, 800-368-2235) will be updated each Monday to reflect the information on this notice related to meetings with the NRC and other Federal agencies.

UPCOMING MEETINGS

November 4-6 - Western Interstate Energy Board, Quarterly Meeting, Denver, CO.

November 11-13 - Atomic Industrial Forum, Inc. Annual Conference: Speakers Ben Rusche, W. Vaughan, Jr. John Herrington, in San Francisco, CA.

November 13-14 (tentative) - NRC meeting with DOE in Washington, D.C. on quality assurance. SRP to participate.

November 14 - American Nuclear Society Winter Meeting, San Francisco, CA.

November 18-19 - Fall Information Meeting of the OCRWM, Atlanta, GA.

November 19-21 - Transportation Workshop sponsored by OCRWM.

November 19-21 (tentative) - NRC meeting with DOE/SRP in Columbus, OH on Structure and Tectonics of the Palo Duro Basin.

November 25-27 - Data Base training for Salt States, Columbus, OH. NRC is also invited.

November (tentative) - NRC meeting with DOE in Washington, D.C., to plan FY 86 meetings. SRP to participate.

November (tentative) - NRC meeting with DOE/RL in Washington, D.C., for BWIP Geochemistry Workshop. SRP to attend as observers.

November (tentative) - NRC meeting with DOE/RL in Washington, D.C., for BWIP Waste Package Workshop. SRP to attend as observers.

November (tentative) - NRC meeting with DOE/SRP in Washington, D.C., on SRP Waste Package.

November (tentative) - NRC meeting with DOE in Washington, D.C. on BWIP Meteorology Monitoring. SRP to participate.

November (tentative) - NRC meeting with DOE/NV in Washington, D.C., on Tuff Hydrology & Geochemistry. SRP to attend as observers.

November (tentative) - NRC meeting with DOE/NV in Washington, D.C., on Tuff Performance Assessment Plan. SRP to attend as observers.

November (tentative) - NRC meeting with DOE in Washington, D.C., on seismo-tectonics position paper.

November (tentative) - NRC meeting with DOE/NV in Las Vegas, NV on Tuff Exploratory Shaft Test Plan. SRP to attend as observers.

November (tentative) - NRC meeting with DOE/RL in Washington, D.C., on BWIP Exploratory Shaft Test Plan. SRP to attend as observers.

November (tentative) - NRC meeting with DOE/RL in Washington, D.C., for BWIP Hydrology Workshop. SRP to attend as observers.

November (tentative) - NRC meeting with DOE in Washington, D.C., on SCP Issues Hierarchy, Resolution Strategy, Data Needs. SRP to participate.

November/December (tentative) - NRC meeting with DOE/RL in Washington, D.C., for BWIP Geology Workshop. SRP to attend as observers.

November/December (tentative) - NRC meeting with DOE/RL in Washington, D.C., for BWIP Repository Design Workshop. SRP to attend as observers.

December/January (tentative) - NRC meeting with DOE/SRP in Washington, D.C., on SRP Repository Design.

December/January (tentative) - NRC meeting with DOE/SRP in Washington, D.C. on SRP In Situ Testing.

Notice of Upcoming Meetings
