Dear Mr. Linehan:

ACTION ITEM FROM MAY 11-15, 1987, HANFORD SITE DRILLING DATA EXAMINATION

In response to an action item from the subject Data Examination and subsequent discussions with Mr. H. Lefevre, we are providing you with a copy of the Subject Code List for the Basalt Records Management System.

The Basalt Records Management System includes published and unpublished reports, data packages, etc., generated in the BWIP. Computer indexes of the documents are generated upon specification of the Subject Codes.

Please contact Mr. D. K. Marjaniemi of my staff (FTS 444-7059) if you have any questions.

Sincerely,

O. L. Olson, Acting Director  
Basalt Waste Isolation Division
