Ladies and Gentlemen:

JULY 22-23, 1987, BWIP QUARTERLY TECHNICAL UPDATE MEETING

As was previously discussed with you or members of your staff, we are revising the format of the BWIP Quarterly Meeting to enhance our sharing of technical views and information. Therefore, I would like your input regarding what key issues should be discussed during the technical workshops on Wednesday, July 22.

As in previous meetings, we request that affected parties give a brief presentation on their grant-funded activities during the afternoon on Thursday, July 23. Thursday morning will be the DOE's project overview and commitment status.

We request that you provide this input within 10 working days from the date of this letter to allow our technical staff time to prepare their presentations.

Thank you in advance for your cooperation in this matter. We look forward to seeing you in July.

Sincerely,

John H. Anttonen, Assistant Manager
for Commercial Nuclear Waste
