Subject: GE Limited Copyright License

GE grants the NRC a limited license to reproduce and distribute GE's copyrighted "Fracture Mechanics Evaluation Of The Indication In The Recirculation Line At The Safe-End To Elbow 2/1/0202B-28/PS2/201-1 Weld At the Dresden Unit 2" Report ("GE's Report") in whole or in part, and insert this material into the NRC's Safety Evaluation Report. The NRC is also authorized to issue GE's Report and/or the NRC's Safety Evaluation Report containing information from GE's Report as a public document for reproduction and distribution to the public.

The authorization is granted with the understanding that any copies of documents made by the NRC will continue to bear any copyright notice. No other rights are hereby granted. This limited Copyright License will expire on February 28, 2005.

If you have any questions or comments, please contact me at (408) 925-5434.

Sincerely,

James F. Klapproth  
General Manager Engineering and Technology
