Subject: Transmittal of NRC Staff Preliminary License and SER for the Diablo Canyon ISFSI

On February 11, 2004, the NRC staff issued its Preliminary License and SER for the Diablo Canyon Independent Spent Fuel Storage Installation, in a letter to the Pacific Gas and Electric Company. The subject letter and its enclosures have been sent to PG&E for identification of any errors or omissions.

This email notification is being sent to you, due to your interest in this matter. Hard copies of the subject documents have been mailed to you separately. These documents can also be accessed through the NRC website at: <http://www.nrc.gov/reading-rm/adams.html>. The ADAMS Accession Number for this document package is ML040420624. If you encounter problems in accessing the documents on ADAMS, you may call the NRC Public Document Room Reference staff at : (301) 415-4737, or 1-800-397-4209; or by email at pdr@nrc.gov.
