Dear Mr. Saget:

Consistent with the provisions of Appendix 7 of the Site Specific Agreement between DOE and NRC, I am notifying you of Mr. Dale Hedges prospective assignment to this office during May 21 and 22, 1986 for the purpose of reviewing BWIP Project activities concerning quality assurance. He and I would expect to communicate with DOE, MAC and RHD personnel and have access to various QA records pertinent to our review.

Per your discussion with Mr. Hedges, I am informed by Mr. Hedges that you are aware of areas of the QA activities which he intends to review. We can further discuss specific items of interest prior to May 21 if you desire. Please call Mr. Hedges or myself in this regard.

We would expect to discuss our observations and conclusions with you and other cognizant project personnel as appropriate, prior to Mr. Hedges' leaving Richland, consistent with Office's basic objective of providing early feedback of OR staff observations and concerns.
