DEPARTMENT OF ENERGY COORDINATING GROUP LISTING

Regarding your early January request of Mr. Jim Mecca of our staff, and in keeping with Mr. Purcell's commitment at the Atlanta Quarterly meeting on December 6, 1985, with the States and Indian Tribes, we are herein providing you an updated list of the Department of Energy Coordinating Groups and the names of the Basalt Waste Isolation members. As meetings are held and minutes from those meetings become available, they will be forwarded to you. As future participants in the Institutional Socio-Economic Coordinating Group and the Environment Coordinating Group, your representatives will receive those minutes directly.
