GORN

DECEMBER 1985 HYDROLOGY MEETING

(Return to WM, 623-SS)
encl. is a published rpt. see

Enclosed are draft copies of the document, "Test Plan for Multiple-Well Hydraulic Testing of Selected Hydrogeologic Units at the RRL-2 Site, Basalt Waste Isolation Project, Reference Repository Location." This document focuses on the key topic of the subject meeting. In order to facilitate meaningful discussions in the short time frame available at the meeting, please carefully review the document prior to attending. The document, as presented, represents the Project's final plans for the purposes of consultation with the U. S. Nuclear Regulatory Commission.

BWP files #1972 AM report.

Very truly yours,

O. L. Olson, Director
Basalt Waste Isolation Division
