Dear Dr. Aksan:

SUBJECT: MEETING ANNOUNCEMENT AND CALL FOR PAPERS

I am pleased to invite you to attend the Spring 2004 CAMP meeting to be held from Wednesday, April 21th through Friday, April 23th in Daejeon, Korea. Meetings will be held at the Headquarters of the Korea Institute of Nuclear Safety (KINS). KINS is located at the Daeduck Science Complex of the Metropolitan City of Daejeon. The general meeting will be held on the first two days and the TPC Meeting will be held on the morning of the third day, if necessary. For the last day of the meeting, a technical program will be organized to introduce thermal-hydraulic activities in Korea.

Dr. In-Goo Kim of KINS will host the meeting. Enclosed is the CAMP registration form and general information on hotel reservations and local travel in Korea. Please return the registration form to the stated email address or fax number no later than March 27th to make sure your accommodation reservation is finalized.

The CAMP meeting agenda will be finalized upon receipt of the enclosed registration forms. The agenda will be mailed to you the following week and will also be posted on the password protected website (<http://www.nrcrelap5.com>).

On the CAMP registration form, you are asked to identify the papers you plan to present at the meeting. Organizers will have a CD-ROM available at the meeting containing electronic copies of all meeting presentations and papers. As a result, it is essential that you submit your presentations to Dr. Chae-Yong Yang of KINS at the address on the enclosed registration form by April 9th.

Please note that this announcement has only been sent to the CAMP designated representatives for your country. Please distribute copies of this announcement to other organizations in your country, as appropriate. This invitation letter and the attachments can be accessed by following the links to the CAMP Spring 2004 meeting announcement and letter on the password protected website. To expedite this announcement, a copy is being e-mailed to you to be followed by the complete package via the mail.

The NRC CAMP representatives look forward to seeing you in Deajeon.

Sincerely,

/RA/

Joseph Staudenmeier
Safety Margins and System Analysis Branch
Division of System Analysis and Regulatory Effectiveness
Office of the Nuclear Regulatory Research

The NRC CAMP representatives look forward to seeing you in Deajeon.

Sincerely,

/RA/
