Subject: Submittal of Revised ISA Summary for BLEU Preparation Facility in Accordance with License Condition S-50

Dear Sir:

Nuclear Fuel Services, Inc. (NFS) hereby submits the subject Integrated Safety Analysis (ISA) Summary for the BLEU Preparation Facility (BPF). In accordance with License Condition S-50 (Reference 2), submittal of a revised ISA Summary for the BPF to the Nuclear Regulatory Commission (NRC) by February 13, 2004 is required. The purpose of this license condition is to support the NRC's readiness assessment of this process expected to occur in the near future. NFS is submitting this document to fulfill this license requirement. Shaded areas within the text denote change from the previous revision.

The updated drawings enclosed herewith have the following statement affixed:

"This drawing and all information contained herein is the property of Nuclear Fuel Services, Inc. and shall not be used or disclosed for any purpose other than that for which it has been furnished without the express written consent of NFS."

Notwithstanding the language of this restriction, NFS acknowledges that reproduction and controlled distribution of submitted documents, in accordance with NRC regulations and

N.M.S.S.O.

requirements, is necessary in order for the NRC to carry out its legal and regulatory responsibilities. Further, NFS acknowledges that reproduction and controlled distribution of these drawings by a third party authorized by the NRC is allowable by this language. Therefore, it is NFS' position that the enclosed drawings may be reproduced and distributed in a controlled manner, by a third party authorized by the NRC, for NRC's purposes and use without violation of the statement above.

Please note that the ISA Summary contained in Attachment 1 is considered proprietary information, as set forth in the enclosed affidavit; therefore, NFS requests that this information be withheld from public disclosure in accordance with Title 10, Code of Federal Regulations, Part 2.790. A non-proprietary version of this document suitable for public disclosure is also contained herein as Attachment 2.

If you or your staff have any questions, require additional information, or wish to discuss this, please contact me, or Mr. Rik Droke, Licensing and Compliance Director at (423) 743-1741. Please reference our unique document identification number (21G-04-0019) in any correspondence concerning this letter.

Sincerely,
