**SUBJECT: CHANGE OF PROJECT COORDINATOR**

Dear Captain Farrand:

This letter is to advise you that Ms. Orysia Masnyk Bailey has been assigned as the Project Coordinator for the Department of the Navy's Master Materials License (MML) of Broad Scope, replacing Mr. José M. Díaz Vélez. The effective date is March 1, 2004. We believe that it is important to maintain continuity in the project coordination function. To this end, Ms. Bailey will continue to communicate frequently on Navy MML issues.

Ms. Bailey has been a Health Physicist in our Materials Program for several years, participated in the VAML Review Program, and has significant experience in licensing and inspection as well as security and decommissioning of radioactive materials. Ms. Bailey may be reached at (404) 562-4739, or by e-mail, OMB@NRC.gov.

If you have any questions, please contact me at (610) 337-5281.

Sincerely,
