Dear Ms. Russell:

On behalf of the Nez Perce Tribe of Idaho, I would like formally to invite you to conduct a briefing session on the Nuclear Waste Policy Act of 1982 for the benefit of the Nez Perce Tribal Executive Committee. You have indicated in previous conversations that you would be available to visit Lapwai on February 14, 1985. Therefore, the Tribe would be pleased if you could arrange to schedule the briefing session for that day.

Please advise me as soon as possible if this will not be convenient. If you should have any questions, please feel free to give me a call.

Sincerely,

Kevin Gover
