Dear Ms. Russell:

This request supplements the Tribe's letter of June 8, 1984, requesting that appropriate Nuclear Regulatory Commission staff visit the Umatilla Indian Reservation on or about July 11, 1984, to discuss several aspects of the Nuclear Waste Policy Act. The Tribe would like to have a briefing on the revised siting guidelines at that time as well. Please make the necessary arrangements for your visit to the reservation with Catherine Wilson at the address and phone listed above.

Sincerely,

CONFEDERATED TRIBES OF THE  
UMATILLA INDIAN RESERVATION
