Dear Ms. Russell:

I would like to extend an invitation to you and any appropriate staff to visit the Umatilla Indian Reservation on July 11, 1984. The purpose of the visit would be to provide a basic briefing to the tribal officials and staff concerning, among other things, a description and overview of the Nuclear Regulatory Commission's responsibilities in the Basalt Waste Isolation Project, the role the Tribe plays in the Commission's activities relative to the Tribe's status as an affected Indian Tribe pursuant to the Nuclear Waste Policy Act, and the possibility of compiling a library of Commission and Department of Energy documents pertaining to the site characterization process under the Nuclear Waste Policy Act.

If this briefing session is agreeable to you, please make the necessary arrangements with Catherine Wilson, the Tribal Attorney, at the address and phone listed above. The Tribe looks forward to meeting with you.

Sincerely,

CONFEDERATED TRIBES OF THE
UMATILLA INDIAN RESERVATION
