Dear Ms. Sosa,

**Re: Re-submission of ACR Reports**

Following an NRC request (Reference 1) regarding re-submission of electronic copies of AECL reports, please find enclosed a CD containing the following reports:

- "Review of Design Features for Severe Accident Management", 108-03660-ASD-005, Revision 0, January 2004, (initially submitted with Reference 2);
- "Preliminary Design Assist PSA Level 1 - Selected Full Power Event Trees", 10810-03660-AR-001, Revision 1, January 2004, (initially submitted with Reference 3);
- "Fuel Handling and Storage System", 108-35000-DR-001, Revision 0, March 2003, (initially submitted with Reference 4);
- "Spent Fuel Transfer and Storage System", 10810-35300-DR-001, Revision 0, July 2003, (initially submitted with Reference 4);
- "Fuel Handling Control System", 108-63581-DR-001, Revision 1, April 2003, (initially submitted with Reference 4).

The electronic copies of these reports on the enclosed CD are formatted for "fast web view".

If you have any questions on this letter and/or the enclosed material please contact the undersigned at (905) 823-9060 extension 6543.

Yours sincerely,

A handwritten signature in black ink, appearing to read "VJL for", is written over the typed name.

Vince J. Langman  
ACR Licensing Manager

/Enclosure:

1. CD containing the reports mentioned in this letter
