

July 31, 1997

MEMORANDUM TO: Richard L. Bangart, Director
Office of State Program

FROM: John T. Greeves, Director (original signed by)
Division of Waste Management
Office of Nuclear Material Safety
and Safeguards

SUBJECT: SRM ON NEW ADEQUACY AND COMPATIBILITY POLICY
STATEMENT: DEFINITION OF BASIC RADIATION STANDARDS

We have reviewed the proposed modification to the definition of "basic radiation protection standards," for the "Policy Statement on Adequacy and Compatibility of Agreement State Programs," as given in your July 18, 1997, memorandum. We concur with your proposed modification to the definition.
