MEMORANDUM FOR: Files

FROM: Richard L. Bangart, Director  
Division of Low-Level Waste Management  
and Decommissioning  
Office of Nuclear Material Safety  
and Safeguards

SUBJECT: LOW-LEVEL WASTE MANAGEMENT PARTICIPATION IN AGREEMENT  
STATE REVIEWS

Enclosed are the administrative procedures describing Low-Level Waste Management (LLWM) staff activities for assisting the Office of State Programs (SP) with an Agreement State review or visit. This procedure supplements the August 7, 1990, memorandum from John Greeves and Vandy Miller (attached) detailing the multi-office approach to the review process.

This procedure is to be followed in the event of SP requesting assistance in the review of an Agreement State's regulatory program, with respect to the disposal of low-level waste. The procedure should be provided to LLWM staff selected to the review team. The procedure should also be provided to new staff as part of the Division training program.

Please contact Robert Hogg if you have any questions or comments on this procedure.

LLWM Policy Guide

(PG 0301) Assessments and Audits: Low-Level Waste Management (LLWM) Participation in Agreement State Reviews.

A. Purpose:

To provide procedures describing LLWM staff activities for assisting the Office of State Programs (SP) with an Agreement State Review or Visit.

B. Discussion:

This procedure supplements the memorandum of August 7, 1990, from John Greeves and Vandy Miller (attached) detailing the multi-office approach to the review process.

C. Action:

When LLWM provides assistance to SP in the review of an Agreement State's regulatory program for the disposal of low-level waste, this procedure is to be applied. New staff who may participate in future Agreement State program reviews should review this procedure as part of their new employee training. Staff participating in an Agreement State program review should be familiar with and follow this procedure.

D. Contact:

Chief, Low-Level Waste Management Branch.

E. Effective Date:

This Policy Guide is effective when issued.
