GUIDE TO USING THIS PUBLICATION

Paper Color of Publication

This publication is printed in alternating colors to aid users in distinguishing the current week's schedule from next week's schedule. The color "buff" is used one week, and then the color "green-tint" is used on the alternating week.

Schedule by Date and Time

The dates, times and room locations of those committees or subcommittees meeting this week are set forth in order of date and then time within each date.

In addition, the dates and times of the scheduled floor sessions for both the Senate and the House are noted.

SHR means Senate Hearing Room

HHR means House Hearing Room

Schedule by Standing Committee

All the scheduled meetings of the committee (including its subcommittees) are listed beneath the committee name in date order. Within each date the meetings are listed by Senate and then by House. Subcommittee meetings on the same date as the committee are listed after the committee.

Notation is made as to whether the FULL committee or a subcommittee of the committee is meeting. In addition, the exact room location, date, and time are set forth.

The type of agenda is noted by "PUBLIC HEARING", "WORK SESSION", "EXECUTIVE SESSION", or some other notation. In addition, joint meetings between Senate and House committees are noted here.

A short description of the agenda is listed noting the appropriate bill numbers being considered.

Information related to all Senate committees and subcommittees is noted in **bold face** type. The House committees and subcommittees are noted in regular type face.

All committees are set forth, but those committees without scheduled meetings are noted only by name.
