The Nuclear Waste Board and Advisory Council will hold their regular meetings June 20, 1986. One of the agenda items will include a review of recent state actions involving the federal nuclear waste repository siting process, including discussion of Governor Booth Gardner's proposal to revise the siting process.

The Board and Council will review other agenda items such as recent state litigation filed against the U.S. Department of Energy and the state's June public meetings on USDOE's draft Defense Waste Environmental Impact Statement.

The Council will be meeting at a new regular time, one-half hour earlier at 9 a.m., and the Nuclear Waste Board meets at 1:30 p.m. The public is encouraged to attend and comment at Board and Council meetings.
