November 20, 1986

1:30 p.m.
EFSEC Hearing Room
Rowesix, Building 1
4224 - 6th Ave. S.E.
Lacey, Washington

AGENDA

On November 20, 1986, the Nuclear Waste Board and Council will meet to hear two important presentations. From 1:30 to 3:15 p.m., Lori Friel, Attorney for the Western Interstate Energy Board's High-Level Waste Committee will be speaking on the regulation of spent fuel/HLW transportation. Specifically, Ms. Friel will discuss:

1. Constitutional Principles Affecting Spent Fuel/HLW Transportation
2. Hazardous Materials Transportation Act.
3. USDOT Inconsistency Rulings: Process and Standards
4. Court Actions
5. State and Local Government Approach to the Regulation of Spent Fuel/HLW Transportation
6. Case Studies
7. Discussion

From 3:30 to 5:00 p.m., USDOE representatives review the Hanford Grout Disposal Program, and discuss the status of the final environmental impact statement on "Disposal of Hanford Defense High-Level, Transuranic and Tank Wastes".

The Nuclear Waste Board and Advisory Council welcome and encourage public participation during the monthly meetings. The Chairman will invite public comment at various points during the meeting. In addition, if there are specific agenda items which you wish to comment upon please sign the sheet on the back table and you will be invited to comment when the Board/Council reaches that agenda item.
