Mr. Bob Browning,
Head, Division of Waste Management
U.S. Nuclear Regulatory Commission
Bethesda, MD 20814

Dear Mr. Browning:

As you may know, I am leaving the Council after completing my second term as chairman. The past eight years have been filled with many challenges and opportunities. What I have been able to accomplish in this time is due, to a considerable extent, to the encouragement and support which you and others have provided. I really appreciate the opportunity we have had to work together on the energy future of this state and region.

Best personal wishes.

Sincerely,

Nicholas D. Lewis
Chairman
