Dear Mr. Cummings:

GEOMECHANICS DATA REVIEW VISIT DOCUMENT REQUEST

Reference: Rockwell letter, March 7, 1984, Ash to Olson and Rockwell letter, March 22, 1984, Ash to Olson, subjects as above

Attachment 2 to the March 7, 1984, reference letter, noted that color copies of core photographs from test intervals in boreholes RRL-6 and DC-4, would be transmitted separately when received from Battelle Photography.

Enclosed are these photographs. If you have any questions, please call Mr. James E. Mecca of my staff at (509) 376-5038 or FTS 444-5038.

Very truly yours,

O. L. Olson
