Mr. Jaroslav Veselý
ÚJP PRAHA a.s.
Nad Kamínkou 1345
156 00 Praha - Zbraslav
Czech Republic

Dear Mr. Veselý:

It is a pleasure to invite you to participate in an OECD Topical Meeting on Loss-of-Coolant Accidents to be held in the USA at Argonne National Laboratory (near Chicago) on May 25-27, 2004. This meeting is being organized by a Special Experts Group on Fuel Safety Margins within the OECD. I am the USNRC's representative on this group and Miroslav Hrehor is the OECD's scientific secretary for the group. Argonne National Laboratory is working in this subject area under USNRC sponsorship, so the laboratory was chosen as the site of the meeting. Michael Billone is the principal investigator on the USNRC program at Argonne National Laboratory and is the local host for the meeting. Accommodations are available on the laboratory site at the Argonne Guest House (a Sodexo hotel). The room rate is \$65 for a single and \$75 for a double. A block of rooms for this meeting will be held up through May 10th. To make a reservation, please call +1 800 632 8990 or +1 630 739 6000 (+1 630 739 1000 fax). When making reservations, please refer to the "NRC-LOCA" group. If you need any assistance with accommodations, please let me know.

I look forward to seeing you at the meeting at Argonne.

Sincerely,

/RA/

Ralph O. Meyer
Senior Technical Advisor
Safety Margins and Systems Analysis Branch
Division of Systems Analysis and Regulatory Effectiveness
Office of Nuclear Regulatory Research
