Emergency Preparedness and Health Physics Section  
U.S. NRC  
Washington, D.C. 20555

Re: NRC letter of 23 January 2004 regarding provision of 65 mg KI tablets

Dear Mr. Weiss:

The State of Arizona requests that the NRC provide 65 mg KI tablets to supplement current stocks for use by the public. Per the reference, the following information is provided:

- NPP Site: Palo Verde Nuclear Generating Station
- Nr. 65 mg Tablets Requested: 3,400
- 10-mile EPZ Population: 5,174
- Contact Person: John Padilla  
Maricopa County Department of Emergency Management  
Phone: 602-273-1411
- "Ship to" Address: Maricopa County Department of Emergency Management  
2035 N. 52<sup>nd</sup> St.  
Phoenix, Arizona 85008

Thank you very much.

Sincerely,

Aubrey V. Godwin  
Director
