Dear Mr. Mendonca

The attached information outlines the proposed actions to be taken by the University of California, Davis McClellan Nuclear Radiation Center (UCD/MNRC) in response to the Nuclear Regulatory Commission letter dated June 21, 2002, subject: Site Specific Interim Compensatory Measures For Physical Security In The Current Threat Environment At Research And Test Reactors Licensed To Operate At Power Levels Greater Than Or Equal To 2.0 Megawatts.

It is our understanding that if the threat changes, these supplemental measures will be either dropped or changed.

Questions concerning this response should be directed to Dr. Wade Richards, 916-614-6200 or wjrichards@ucdavis.edu.

Sincerely

WADE J. RICHARDS, Ph.D.
Director
UCD/MNRC
