Enclosed for your review is a draft paper outlining DOE's plans for developing a program that will address the special socioeconomic concerns of the Affected Tribes. Your comments on this working draft will provide much needed tribal input into the DOE program. We welcome any suggestions you might have regarding additional studies that should be considered by DOE to help support the bibliography.

We would like to meet with the Affected Tribes to discuss any comments and recommendations for this paper and welcome any suggestions you might have regarding individuals we may contact for more information.
