Good Day:

Attached are Confirmatory Action Letters recently issued to the owners of the Rancho Seco, Humboldt Bay, San Onofre 1, Haddam Neck, and Maine Yankee nuclear plants. I downloaded these files from ADAMS a few moments ago. I searched ADAMS for all Confirmatory Action Letters issued by NRC since September 10, 2001. I only found these and one to a non-reactor licensee.

- 1) Did the NRC issue CALs to owners of operating reactors regarding security comparable to those issued to the permanently closed nukes? If so, how does a member of the public obtain a copy? If not, why not?
- 2) Did the NRC issues CALs to the owners of other permanently closed nukes (e.g., Zion and Big Rock Point)? If so, how does a member of the public obtain a copy? If not, why not?
- 3) Region I issued CAL 1-01-04 on October 25th for Haddam Neck and CAL 1-01-06 on October 25th for Maine Yankee. What happened to CAL 1-01-05? If is publicly available?

Thanks,
