part of h

Mindy, i was aware of 1 ET meeting where this was to be discussed, it was not discussed at that time.

What follows are comments, from OCIO, that I believe warrant consideration.

This is a draft of the EDO's forthcoming announcement on "safeguards" review criteria. As I understand it the criteria will likely be approved tomorrow or Monday and they will want to get the announcement out quickly. Please get your comments to me for consolidation, so I can send them to Stu.
