Preliminary Review of Request for Waiver for SRO Candidate

FPL Energy Seabrook, LLC (FPLE Seabrook) requests a preliminary review of a request for waiver regarding prerequisite experience requirements as specified in Regulatory Guide 1.8, Revision 3 and Revision 8 of NUREG-1021, "Operator Licensing Examination Standards for Power Reactors," ES-202, Section D.2 for a licensed operator candidate. FPLE Seabrook believes that the candidate's work experience, combined with his education and previous Station-specific training, meets the intent of the experience qualifications of NUREG-1021. A justification for the waiver and an outline of the candidate's work experience is attached. The enclosure contains personal information and should be withheld from public disclosure.

Should you require further information regarding this matter, please contact Mr. Daniel G. Roy, Training Manager, at (603) 773-7602.

Very truly yours,

FPL Energy Seabrook, LLC
