Attention: Mr. W. O. Miller

Gentlemen:

Enclosed you will find completed copies of form AEC-313 applying for a license to possess and use up to a maximum of 100,000 curies of zirconium-95 plus niobium-95.

We understand that the first batch of material will be ready for shipment to us approximately the end of January and it will be very much appreciated if this application could be treated as urgent.

Yours very truly,
