Division of Licensing and Regulation
Washington 25, D. C.

Attn: Mr. R. E. Brinkman

Gentlemen:

On August 25, 1959, we requested, by letter, amendment of our By-product Material License No. 37-2416-2 to increase the amount of by-product material between atomic numbers 3 and 83, that we may possess.

Will you be kind enough to advise me regarding the progress of this requested amendment.

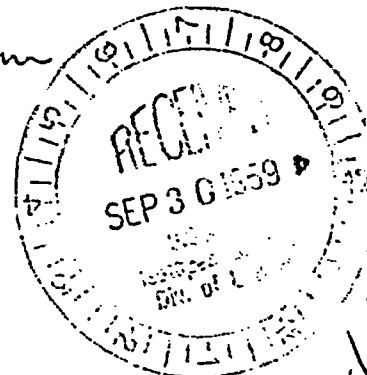

Very truly yours,

CURTISS-WRIGHT CORPORATION
