

CENTER FOR NUCLEAR WASTE REGULATORY ANALYSES

MEMORANDUM

March 1, 1991

TO: John E. Latz
FROM: Asadul H. Chowdhury 
SUBJECT: Consultant Service Contracts for Dr. Chia Shun Shih

The following information is submitted in connection with this request for the subject consultant.

RATIONALE FOR CONTRACT:

Dr. Shih has been selected to participate in the proactive and reactive technical activities of RDCO Program Element. His credential is outstanding in the areas of environmental engineering, decision analysis, and risk assessment. Dr. Shih will provide assistance particularly in the Exploratory Shaft Facility (ESF) alternatives study. Specific work will include document review, evaluation, and synthesis, participation in Center support of NRC/DOE technical exchange meetings and NWTRB meetings, field trips, support technical position on coordination of ESF design with GROA design, and repository operational criteria activities. He is, by his publications and his acknowledged expertise, a premier individual to provide the high quality of technical service/technical review required by the Center. His background information including C-O-I documentation is attached.

PROJECT NUMBER(S):

20-3702-021
20-3702-022
20-3702-026

DAYS/HOURS REQUIRED:

Approximately 120 hours of the consultant's time will be required between now and February 28, 1992. A form E-11 is attached for your signature and conveyance, along with this memorandum, to the Personnel Department.
