

CENTER FOR NUCLEAR WASTE REGULATORY ANALYSES

MEMORANDUM

TO: John E. Latz

March 13, 1990

FROM: John L. Russell 

SUBJECT: Consultant Service Contract for Dr. Robert Wright

The following information is submitted in connection with this request to provide a consultant service contract for the period of January 31, 1990 through February 1, 1991 for the subject consultant. Dr. Robert Wright previous consulting agreement with the Institute expired on January 30, 1990.

RATIONALE FOR CONTRACT:

Dr. Robert Wright was selected to provide consulting services for technical support of the Center's Geologic Setting Program Element in regulatory analyses, natural resource assessment, geology, and related technical disciplines. Specific work may include DOE study plan review, DOE Site Characterization Progress Report review, participation in Center support of NRC/DOE technical exchange meetings and field trips, support of technical position and rule development, technical assistance in development of prelicensing guidance, and related activities. He may also participate in the development of scenarios of geologic events and processes for work related to performance assessment. His credentials and experience in the scientific disciplines noted above are outstanding. He has provided consulting services to Division 20 during the last one year and he had a consulting contract with the Institute which expired on January 30, 1990. His performance as a consultant for the Center during the last year has been excellent.

Dr. Wright will provide expertise and experience in geoscience disciplines (stated above) which are not available from the staff in all Divisions of the Institute.

PROJECT NUMBER (S):

20-3702-001

20-3702-002

Anticipated New Performance Assessment Activities.

DAYS/HOURS REQUIRED:

Approximately 30 days of the consultant's time will be required for participation in technical tasks during the one year period extending from January 31, 1991 through February 1, 1990. A resume or curriculum vitae of subject consultant's capabilities has previously been submitted to the Personnel Department.
