Dear Mr. Gale:

I appreciate your invitation to participate in the Spring 1985 Meeting of the Office of Civilian Radioactive Waste Management to be held in Kansas City, Missouri on May 14-15, 1985.

After reviewing the agenda, I see that NRC is scheduled to give a presentation on Wednesday, May 15. I would prefer not to provide a separate presentation but, I will send an NRC representative to observe and to answer questions pertinent to NRC's program.

Again, thank you for your invitation and we will send an NRC representative to Kansas City.

Sincerely,

1s1

Robert E. Browning, Director
Division of Waste Management
Office of Nuclear Material
Safety and Safeguards
