SUBJECT: NOTICE OF AVAILABILITY - SELECTED NRC PRODUCTS LIST IN HLW PROGRAM

The NRC Division of Waste Management has recently updated a listing entitled "Selected NRC Products, High-Level Waste Program," January 1987. The purpose of this list is to identify selected NRC high-level waste program products and provide a summary of current and planned documents issued by the NRC staff. The document is divided into three major components: regulations, licensing guidance process, and NRC review plans. This document is reviewed and reissued on a periodic basis.

A copy of this listing as well as copies of the referenced documents mentioned in the listing are located in the NRC Public Document Room, 1717 H Street, NW, Washington, DC 20555, 202/634-3273.

Sincerely,

Nancy Still, Project Manager
