Dear Sir:

The following personnel successfully completed the Radiation Protection Services "Industrial Radiography" training program on 18 September 1970 and in our opinion were qualified for designation as "Radiographer's Assistant" on that date

<u>Name</u>	<u>Clock No</u>	<u>Final Average</u>
Loalbo, William N	S-41051	99 0
Nati, Vincent A	S-45836	92 5
Gentile, Patsy A	S-26730	89 5
Gatzen, Edward M	S-61817	84 0
McKeon, Walter	S-37978	94 5
Carangelo, Anthony V	S-42787	91 0
Thompson, Justin N	S-32890	81 5
Hoskey, Theodore M	S-65295	87 5

The following personnel were orally examined and successfully passed an "on-the-job" evaluation on 16 September 1970. As a result of this, it is our opinion that they meet the Atomic Energy Commission requirements for certification as "Radiographer".
