Memorandum

TO : H. L. Price, Director
Division of Licensing and Regulation

DATE:

JUN 2 2 1960

FROM : L. D. [Signature] Director
Division of Compliance

SUBJECT: CURTISS-WRIGHT CORPORATION, QUEHANNA, PENNSYLVANIA; LICENSE NO.
37-2416-2, C-3699, 10 CFR 30 AND 40 - ALLEGED POLLUTION OF CREEK
WATERS

SYMBOL: CO:EGO

By memorandum dated March 14, 1960, you requested that an inspection be made of subject licensee's facility, including the taking of effluent samples and interviews with State authorities. There is attached a copy of an inspection report dated May 26, 1960, as received from the NY Inspection Division, as well as the cover memorandum dated 6/13/60.

Paragraph 14 of the report contains information gathered during the inspection with regard to the allegation of pollution of waters in the area of the facility. Briefly, this information indicates that the complaint has no basis in fact.

The report also contains an item of noncompliance with regard to condition 14 of the license relative to the leak testing of sealed sources.

We believe that no further inquiry concerning the allegation is indicated.
