SUMMARY Public information meetings are being planned — generally, in groups of three at 2-3 month intervals. The first group is expected to take place in Richland, Yakima and Olympia, between 10/25 and 10/29, ^{each} starting at 7:30 pm. DOE + RHO will describe programmatic and technical matters; State of WA will briefly describe its role; and written questions from the audience will be handled.

DOE wonders if we would like to participate, in the same mode as WA. I told Squires I would respond by week-end (10/7).

ACTION REQUIRED Decision by WA re participation {Browning, Keller, Bunting}

ACTION TAKEN **I THINK WE MUST. - KEARNEY**
I suggest we attend (at least the first meeting) but not be on the program. We should, however, be prepared to give a brief overview of our role if requested by the public JWSA
