Washington State Department  
of Ecology, MS PV-11  
Olympia, WA 98504

Dear Mr. Stevens:

BWIPO'S DISPOSITION AND RESPONSES TO THE STATE OF WASHINGTON'S COMMENTS  
COVERING THE SCR

Enclosed for your information are ten (10) copies of the disposition/response  
tables prepared by the BWIPO, addressing State of Washington (Golder Report)  
comments on the Site Characterization Report.

The enclosed tables reflect the clarification of issues and modification of  
some of the responses as discussed with representatives from your office and  
Golder Associates in Olympia on February 10, 1984. During this meeting, a  
review of the State of Washington concerns and the DOE's proposed disposition  
and responses were discussed and clarified. It is BWIPO's intent that the  
issues identified in the Golder Report will be addressed in the Site  
Characterization Plan.

If you have questions concerning this information, please call J. E. Mecca of  
my staff at (509) 376-5038 or FTS 444-5038.

Very truly yours,
