Department of Homeland Security

Dear Mr. Beeman:

I would like to thank you for your support of the 2004 Regulatory Information Conference (RIC). Your perspective on the need for sharing timely, consistent and accurate emergency information to the media and general public was particularly informative. Your invaluable participation as a member and speaker on the emergency preparedness panel is greatly appreciated.

We have updated the RIC web site to include the slides, speeches/presentations from RIC 2004. We will also be adding unanswered questions and their responses to the web soon. Later this year we will also be posting an on-line stakeholder suggestion form for planning RIC 2005.

I look forward to continuing our dialog and thanks again for your participation at this year's RIC.

Sincerely,

John W. Craig, Associate Director
for Inspection & Programs
Office of Nuclear Reactor Regulation
