

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
REGION IV  
611 RYAN PLAZA DRIVE, SUITE 400  
ARLINGTON, TEXAS 76011-4005

March 22, 2004

**VOID SHEET**

TO: License Fee and Accounts Receivable Branch  
FROM: Region IV, DNMS, NMLB  
SUBJECT: VOIDED Amendment (Decommissioning Plan Review)  
Applicant: Northern States Power Co. dba Xcel Energy  
License No.: 22-08799-02  
Control No.: 469933  
Docket No.: 03005004

Reason for Void: Headquarters requested the transfer of the entire License to HQs, due to the Pathfinder site being a potentially significant, complex site because the previous decommissioning of the primary side was completed under R.G. 1.86 and now the decommissioning of the secondary side will be under LTR. Therefore, Region IV is transferring the license, including the Decommissioning Plan to Headquarters.
