Subject: DRAFT FY 2004 FEE RULE

Ann:

- I understand that you have recalculated the numbers regarding the fees related to surcharge, therefore the comment (stated below) I provided to you regarding,

-Page 13, line 12 of the Annual Fee paragraph: Change the line to read as follows:

...and decreased annual fees for three four classes (byproduct materials licensees, spent fuel storage/reactor decommissioning, non-power reactors, and fuel facilities).

should remain as OCFO had it written. Please disregard the redline/strikeout changes.
